HOOLEY AND CAMPBELL'S MINSTELS.—This me, when the "clever driver" told me "it was famous troop will favor our citizens with a just like the school-house that Henry Clay got his a series of their delightful Ethiopian enter- education in, and that the boys and gals in these tainments next week. We should judge that ere woods were right smart at larning " The owing to the dearth of amusement in the city stranger will further observe a similar conat present, that they will meet with good struction to the few houses which he will pass success, which they so richly merit. For on his way-but for the door and chimney further particulars see advertisement.

We learn that our firemen are making generous preparations for receiving, their vis-NOSTH CAROLINA. Va., Winchester,... 1 dis generous preparations for receiving, their vis-Bank of N. Carolina. 2 dis cank of Va., Richm'd 1 dis iting brethren at their coming celebration in May. We notify, semi-officially, all the "bright eyes" to be on the lookout for the approaching festival. We cannot too highly commend, or too warmly entreat the brave souls who brave the devouring flames to rescue life and property from flery destruction, Let Nashville men and women do themselves bonor on that day; but sucq warning is unnecessary in our gallant city.

Horn's Brass Band .- The band of skillful and popular musicians who have long made music for the public here and elsewhere, known as Horn's Brass Band, has ceased to exist as a brass band, the members thereof having very recently purchased a splendid set of silver instruments, and are now called Horn's Silver Band.

The instruments embrace all the latest imrovements, and are finished up in the highest style. They cost something over eight hundred dollars. The members of the Band are determined to be up with the times, as this lavish expenditure for instruments goes

It will be seen from the card of Capt, Honn, which will be found in our columns this morning, that his Band is at all times at the service of the public, both here and abroad. To those who may wish to engage music of the kind, we commend Horn's Silver Band, PROLIFIC CORN.-Mr. L. M. HITTENORE left

W. O. N. PERKINS, Sup't. | the flageolet, that I may compare your music Books for the Blind.

In 1857, some of the most distinguished citizens of Kenta ky were locorporated to print bloke in raised letters for the use of the blind. In several States Aux-thary Boards have been formed to aid in this expensive but honevolent enterprise. The members of the Board are generally well known to the public as men Roard are generally well known to the public as men of round judgment, strict integrity, and christian be nevolence. The Auxiliary Board for the State of Tecnesses, Nelli S. Brown, C. K. Winsten, F. B. Fogg, A. L. P. Goven, etc., were appointed by the Legislature of '57-S. At a recent meeting of this Board, J. R. Hogg was elected agent, to solicit subscriptions and donations for the purpose of placing books in raised letters within the reach of all the film throughout the State. Mr. H. is the only agent in Tennesses authorized to receive subscriptions and denations and as such is secredited by the Board. The mone received by the Agent will be published to the Trus trees who are required by law to elect a Treasurer, and take his bond in the sum of \$10,000 for the security of the money deposited with him. Should the enterprise fall, then the Trustees are bound to refund are to make their report to the President at to the donors the money contributed. They are in dividually liable for the mismanagement of the funds committed to their keeping. The printing in raised lesters is expensive. All the different books that can be obtained which have been so printed, centain about flour times the quantity of reading found in the libble. It will be the object of the Publishing House at Lou

In Ceiegraph.
